

Cool Coat

Our DRY evaporation technology keeps you dry & cool, simply using tap water.

COOL CAP

FILL WITH WATER
Just fill the product with (tap) water.

DIVIDE & SQUEEZE
Distribute the water evenly and squeeze out any excess water.

ENJOY IMMEDIATE COOLING

The Hi Tech evaporative cooling baseball cap is a lightweight and easy to activate product that will cool your head comfortably. Whatever your activity-work, sports or leisure-time on the beach this cap helps you to avoid heat stress.

The Hi Tech evaporative cooling cap can be (re-) activated with tap water (35 ml. maximum). Cooling will start immediately. The cooling effect is based on the evaporation of the water in the cap. This product performs best in low to medium humidity environments. The level of airflow determines the cooling effect.

- Incorporates a unique cooling technology
- Stays 100% dry inside and out
- Machine washable and has antibacterial properties
- Easy to use and re-use
- Lightweight and durable
