

Heat Beater

The only REACH registered and
USDA certified 100% bio-based
PCM available on the market

CONSTANT TEMPERATURE COOLING TECHNOLOGY

ACTIVATE
THE
COOLOVER

ENJOY
IMMEDIATE
COOLING

For when exact temperatures are of the essence.

Our unique all-round PCM CoolOver offers constant cooling and heat stress protection for professionals who need expert Cooling underneath protective industrial clothing in (extreme) heat situations.

Hi Tech products are also suitable for medical applications where constant cooling is required

This PCM CoolOver performs under extreme temperatures and under every level of humidity.

Offering exact temperatures, our Hi Tech Heat Beater PCM CoolOver is often used under military combat gear, hazardous materials suits, mascot costumes and other professional apparel.

This 100% biobased PCM CoolOver is available in 5 different temperatures:

Sport: 6,5°C/ 44°F orange 15°C / 59°F purple

Work: 21°C/ 70°F yellow - 24°C/ 77°F transparent and 29°C/ 84°F red

Reactivation is fast and easy: simply hang the PCM CoolOver in a

3°C/ 37°F lower temperature than the PCM temperature or put flat in

ice water, freezer or fridge until the CoolOver becomes fully solid.

Cleaning: simply clean with cleaning cloth with water or disinfectant.

PCM COOL OVER

PCM CoolOver can also be ordered in 6.5°C (orange), 15°C (purple), 24°C (transparent) and 29°C (red) - with a minimum order quantity.

Available in: One size - fits most
